Follow these steps to register for your free webinar:

1. Click on the "Register Now" link located in the "Registration" column above. Webinar registrations can only be submitted online.
2. Click on the word "Register" located under the speaker's image to register for the webinar.
3. Complete the form to register for the webinar. An asterisk (*) indicates required information.
4. Hit "Submit" and your registration will be complete.

Continuing Education Credit

Follow these steps to receive Continuing Education Credit:

1. Purchase the recorded webinar on ILCA's [CERPs onDemand™ site](#).
2. Complete the brief quiz and evaluation, and print your certificate.

IBLCE: ILCA is an approved provider of Continuing Education Recognition Points (CERPs) with the International Board of Lactation Consultant Examiners. Approval Number CLT-108-7.

ANCC: ILCA is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Credit is based on a 60-minute hour.

Looking for additional opportunities to earn CERPs/contact hours? See listings in the Catalog on the [CERPs onDemand™ site](#).

Have Questions? Check out the [Webinar FAQ](#) page for answers to your questions. If you have any other questions about attending the free webinar, please email webinars@ilca.org or call the ILCA office at 919-861-5577 or toll free at 1-888-452-2478.

June 27 & 28, 2013 Mother Baby Symposium in Billings, MT

It Takes a Team: Tackling Troubles that may Disrupt Mother/Infant Bonding...and Successful Breastfeeding

Course Description: This course is designed for nurses, social workers, lactation consultants, occupational and physical therapist and other allied health professionals who specialize or have an interest in those situations that can impact a new mother's success with attachment to her infant, as well as an ability to be able to breastfeed successfully. Special attention will be given to counseling suggestions for those who interface with new mothers in the early period of their baby's life.

Sessions include:

- Is My Baby Allergic to My Milk? Molly's Story
- Birth Trauma and Its Sequelae
- Tips to Overcoming Late Preterm Feeding Challenges and Transitioning to Breastfeeding at Home
- Recognizing When Things Are Going South: Problems with Maternal Milk Supply
- When Nothing Else Makes Sense: Hormonal Causes of Low Milk Supply
- Counseling the High Needs Mother
- Vitamin D and Why for Pregnant and Breastfeeding Women

\$200 for both days or \$135 for one day

Must be received by June 15th
